VERY ACTIVE BUSINESS

ON THE PRODUCE MARKET

Business was decidedly active on the wholesale produce and fruit market yesterday. The receipts in all lines were very large, and though the demand was active, under the pressure of heavy deliveries the wholesale prices went off from 25 to 50 per cent. on practically everything, except oranges, lemons, dried peas and few other standard ard articles. Chickens, eggs, butter and vegetables of all kinds were marked down. Good spring chickens were sold at 18 to 19 cents per pound in the feathers. The market is abundantly supplied with very fine spring brollers. Other fowls also weakened in price.
